Enclosures:

No. 1543-D/43(Cons.), dated 31st ~~26th~~ January, 1946.

Sir,

Sub:-Industries - Sericulture - Construction of a cold storage room at Kollegal for storage of cocoons - Sanction for purchase of spare motor - requested.
Ref:-G.O. No.s.3690, Development, dated 13-11-43.

A sum of .14,380 was sanctioned in G.O. No.3690, Development, dated 13-11-43 for the construction of a cold storage room in the model rearing house at Kollegal for storing cocoons. Messrs. Richardson & Cruddas, Madras, to whom the work was entrusted have installed the cold storage plant and the plant is working since 29-12-45. But as the electric motor attached to the forced air evaporator is continuously working all the 24 hours of the day, the Sericultural Expert is of opinion and I agree with him that it is necessary to keep a spare motor in case of any breakdown and has requested the firm of Messrs. Richardson and Cruddas to supply one

(P.T.O.)

motor (single phase) 225 Volts, 25 Cycles, 1/5 H.P. together with a set of compressor 'V' shaped belts at a cost of .157/-. As the original sanction accorded in G.O. No.'s. 6680, Development, dated 13-11-1943 does not contemplate the purchase of a stand by motor and the provision of the same as is quite essential, I request that Government may be pleased to accord sanction for the purchase of the same at a cost of Rs.155/-.
